# DERMALOGICA TREATMENTS

Dermalogica focus on the health of the skin, with no added harmful ingredients such as artificial colours and fragrances. Our spa therapists are trained as Dermalogica Professional Skin Therapists, to give you a perfect treatment customised to your skins needs.

We may use the following to customise your skin treatment:

## **Age Smart**

Firm and smooth away the signs of skin aging. Control aging triggers before they start.

## **Ultra Calming**

Treat the multiple triggers behind inflammation for lasting relief from sensitivity flare-ups.

## **Medibac Clearing**

Clearer skin starts now: bring the four contributing factors of acne under control.

## **PowerBright TRx**

Help control and prevent factors that contribute to uneven skin tone.
